Subject: Notice of Qualified Firms for the RFQ-Development of Workforce Housing #2591-11

Dear Proposers,

The City would like to thank each of the three firms Blankslate Development, Catholic Charities/Caritas Housing and Community Partners for Affordable Housing for submitting your statements of qualifications for the RFQ for Development of Workforce Housing on a City-Owned Block of Land RFQ #2591-11B. Based on the submitted statements of qualifications received, the evaluation team finds all three firms qualified. The City is now in the process of preparing the Request for Proposal (RFP) for the development of the subject site and plans to have it issued by the end of August. As all three firms are deemed qualified for this process, you will all be notified once the RFP is issued so you can register and download the document from the City's website. If you have any questions please let me know.
